

Quick Start Guide

All-in-one Movie Projector

Initial Setup

- 1 Remove lens cap
- 2 Connect power cord to rear of projector and plug into an electrical outlet
- 3 Press POWER button 
- 4 Insert DVD and close cover
- 5 Your DVD should begin playing automatically. If not, press PLAY to start.

Adjusting the Image

- 6 Rotate lens to adjust the focus
- 7 Use lever on the lens to zoom in and out

Connecting to External Speakers

- 8 If you're connecting the projector to an external stereo system, please follow the steps below:
 - Turn projector OFF
 - Plug 1/8" Y-cable into the AUDIO OUT jack on projector
 - Connect red and white plugs on 1/8" Y-cable to audio input jacks on external device
 - Power ON both units
